Our bacon comes from the ultra-tender bellies of Heritage Breed hogs and gets its standout flavor from our signature dry-rub that co-founder Erik perfected using his culinary background and the highest-quality, freshest ingredients possible. We slow-cure our bacon, and we mean slow. We give it a full 12 days to absorb the exceptional flavor of the dry-rub. Of course, we can't tell you everything that goes in it, but we'll tell you why it's so delicious.
